2024-2025 Project Updates

KISD Technology Department Server Project

- A big "Thank you" to our school board for the new servers that support our students and staff. The new servers have been a game-changer for our district!
- The technology team has been working diligently to provide technical and network support for security enhancements and daily operations throughout the district.

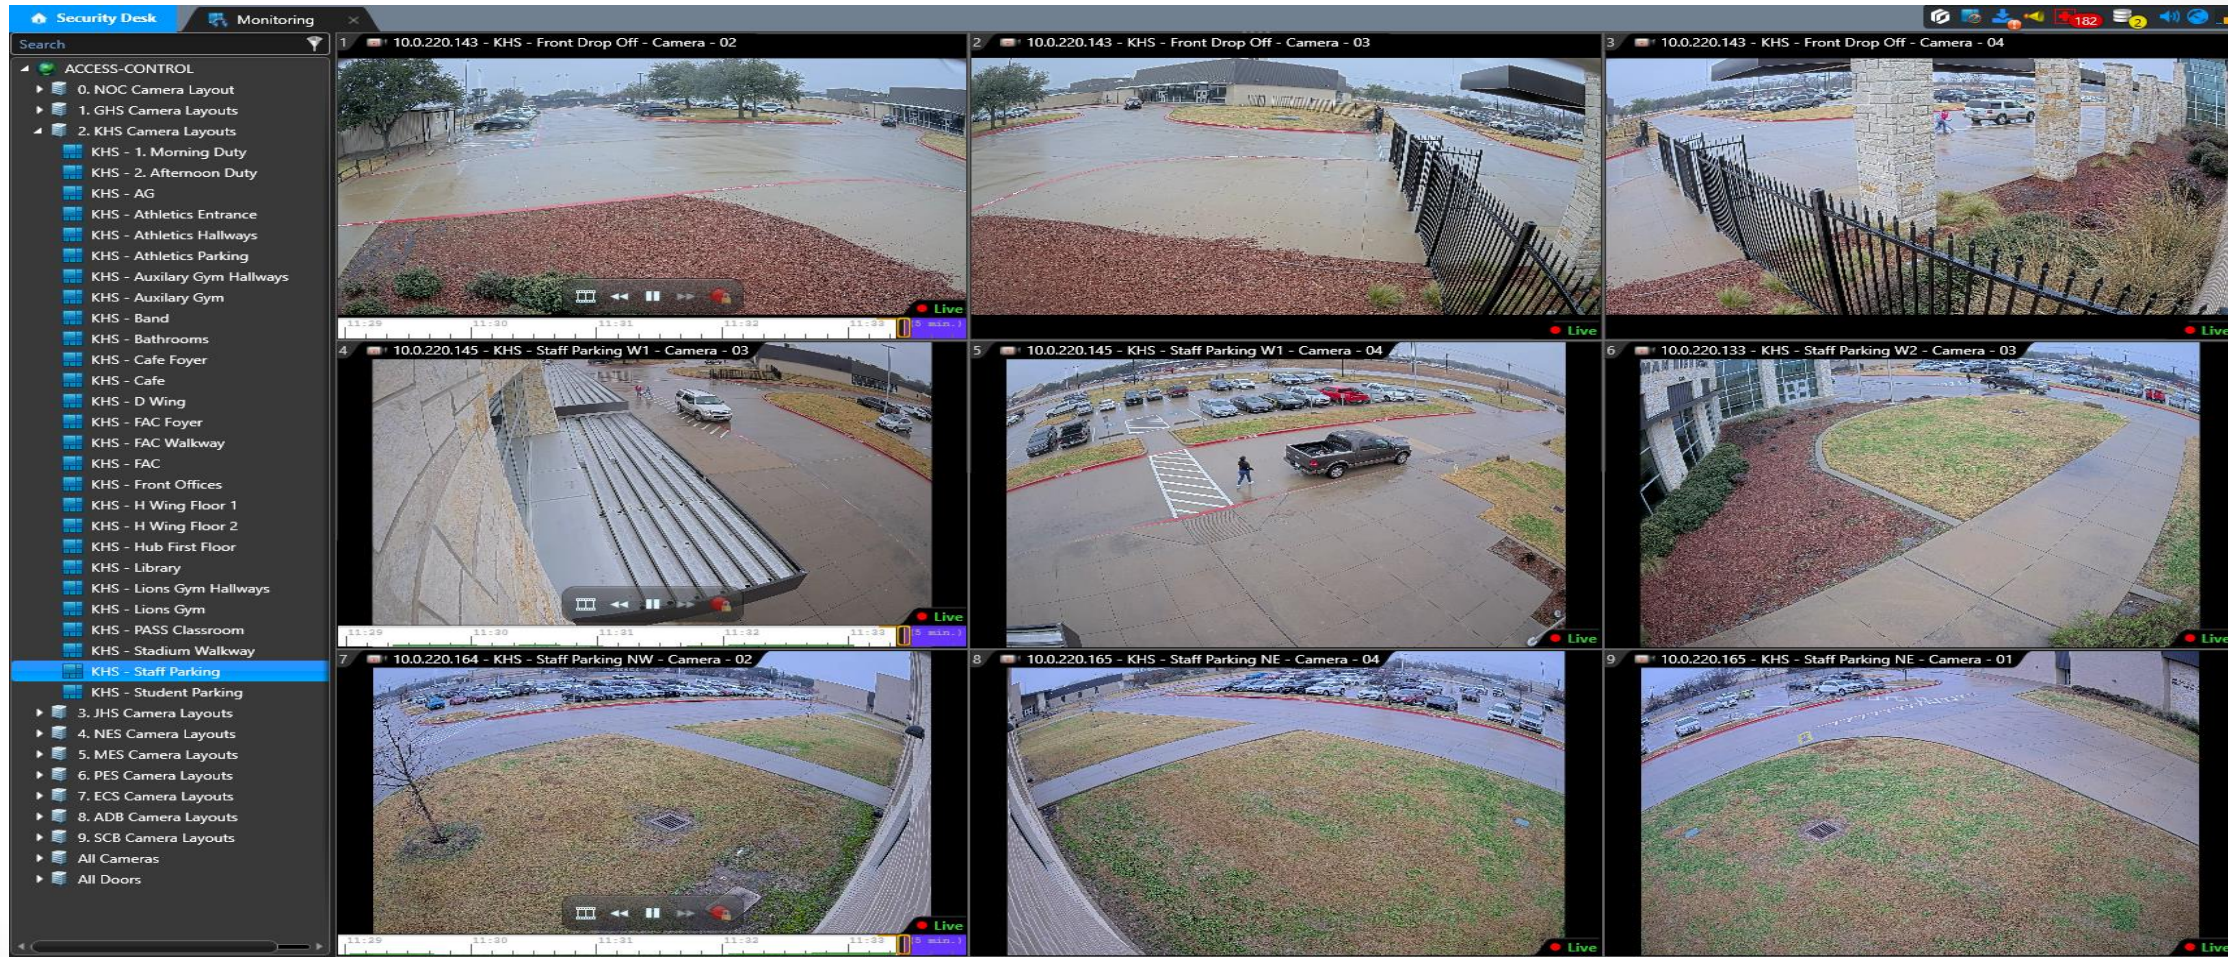

New Surveillance and Access Control System

- **Surveillance for all buildings and campuses:**
 - New IP cameras.
 - New cabling.
 - New software with more functionality.
 - Improvements and configurations made to the infrastructure.
 - Some areas are still in need of infrastructure upgrades.
- **Surveillance Storage:**
 - On-site storage.
 - 30 days of recording.
 - Room to add cameras and additional campuses.

Surveillance System

- Surveillance servers required infrastructure setup, storage configurations, camera configurations, and building layouts.

Teacher Laptop Rollout

- In 2017, Kaufman ISD purchased laptops for every High School teacher.
- In 2021, the teacher laptop program expanded, and every teacher in the district received a new laptop.
- Standard technology equipment includes a laptop, docking station, 24 in. monitor, document camera, telephone and flat panel.

Teacher Laptop Rollout

- In February, the Nash Elementary teachers received their new laptops. Monday Elementary teachers will begin receiving their new laptops on March 18.

KISD Technology Department

Helen Edwards Fiber Update

- Helen Edwards had three fiber incidents this year.
- Owning our own fiber saves a great deal of money since we do not have to pay monthly fiber fees.
- We will bring a cost effective solution in the form of a board action item later in the meeting.

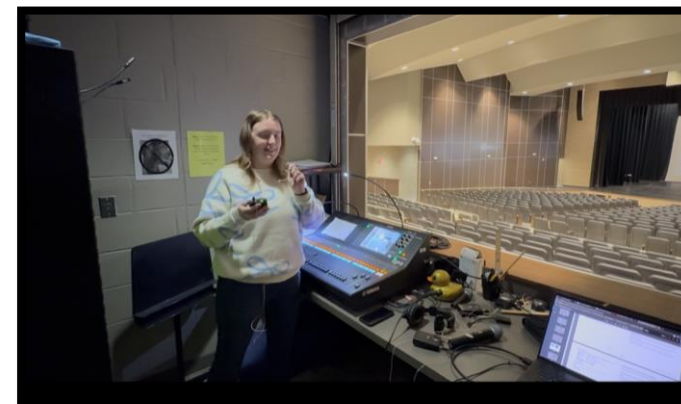

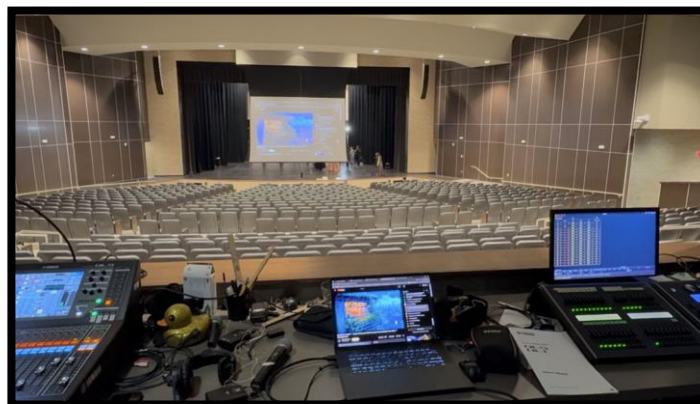

KISD Technology Department

Dr. Blaylock Fine Arts Center

- Audio Company assessed the sound equipment in the Fine Arts Center.
- Phase 1: Replace the sound board and backstage expander.
- Phase 2: We will perform a deeper dive once we have the new sound equipment installed.

Yearly Planning for Chromebooks

- **High School Chromebooks**

- 350 for In-coming Freshmen.
- 100 extra for new students, broken and expired Chromebooks.
- Graduating Senior Chromebooks are passed down to Jr. High.

- **Elementary Chromebooks**

- 400 to replace broken and expired Chromebooks.

- **Total Cost = \$243,440.00**

- *Chromebooks have a shelf life of 5 years*
