

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Spring Grove Elementary School
February 28, 2024

Curriculum

On February 15, Candor Health Education presented their Puberty 1 - Understanding Changes to our 5th grade students. This SEL infused class is taught through storytelling and age-appropriate scenarios and is designed to help students understand puberty. It introduces the physiological changes that occur during adolescence, including a study of reproductive anatomy.

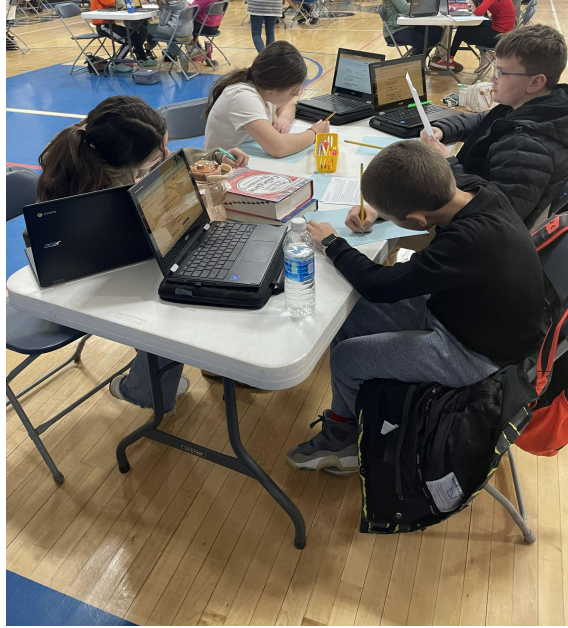

Program Goals:

Students will...

1. Increase their knowledge of human anatomy
2. Identify changes that are common during puberty and ways to manage these changes
3. Increase their comfort in discussing and caring for their changing bodies

School Celebrations

The SGE FPS team has advanced to the State Bowl and will head down to Bloomington-Normal in April! Congratulations to Anna Olson, Melanie Villeda, Ryan Seyller, and Heny Deblok.
