

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 9/15/21 **Superintendent:** Dave Valenzuela

Administrator/Staff: Tim Sam

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

North Valley and Rogue River would like to form a "Cooperative" team for boys soccer. Rogue River was not able to fill a team. There are two RR kids that would play with our kids. Advantage for RR is clearly giving them the chance for a healthy outlet. It gives our kids the chance to play JV teams, bond with "the other team". It is also a chance for NV to pay it forward...we may be in a similar boat down the road (we were looking into co-oping in baseball last year), and would hope that given our good will, we might receive it for our kids in the future. We ask that the board approves this request. The Rogue River school board has.

Provide history/background information on your proposal:

We have worked cooperatively with Rogue River in the past, and have in this case. We have met all the requirements of the OSAA.

List the advantages of your proposal:

As stated above, gives our kids the chance to play JV matches, meet other kids, pay it forward, gives kids from RR a chance to play that they would not have

List possible disadvantages of your proposal:

Only possible disadvantage would be loss of playing time for NV kids. Because of our numbers this year, this will not be an issue.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

There were no other teams in close proximity with RR that would consider the cooperative and would be competitively appropriate for their kids.
