

Preview Materials for FRSD 2025-2027 Integrated Application

There are a number of pieces that make up the Integrated Application, please review the documents below at your convenience and reach out if you have any questions at all.

At the April Board Meeting, FRSD will present the [FRSD Integrated Plan Application Presentation](#). After the presentation, we will allow for any public comment and then need Board action on the plan. If approved, the plan will be submitted to ODE. The application is due April 30th, so hopefully there is plenty of time to review the materials and I can answer any major questions prior to the meeting.
