Basketball girls are working hard on fundamentals and learning the concepts of the game. Our 7th grade girls work really well together and are natural athletes. They looked awesome on Monday night (11/7)...played as a TEAM with great intensity and fundamentals!

8th grade girls have come a LONG way! They lost by over 30 points last year to Grape Creek and this year it was by 11. They are raising their expectations for themselves this year and for their team and we hope to start seeing big results!! We are seeing improvement with this group every day!!!

Autumn Brown – 8th
Taylor Golding – 7th
Chrissie Cooper - B
