

## **Executive Director Board Report**

**March 21, 2023**

- The 2023-2024 annual budget is being prepared and will be presented to the Board at the April meeting.
- Staffing continues for 2023-2024 and will be presented to the Board in April along with the 2023-2024 budget. We have been unable to fill 4 licensed teacher positions and 11 EA positions during the current school year. We anticipate staffing shortages will continue to impact student capacity and who CVSEC can serve safely.
- Staffing recruitment efforts for 2023-2024 include McGuire attending the Minnesota Education job fair on March 30th and the Minnesota Virtual job fairs on March 23rd, April 13th, and May 10th.
- CVSEC will launch our social media accounts on 4/4/2023. This is an opportunity for CVSEC to tell our story through social media to highlight the amazing opportunities and strengths our students have. This is also an opportunity to spotlight the employment opportunities we have for the licensed and unlicensed staff at CVSEC. #LifeAtCVSEC
- Minnesota statewide assessments are a snapshot of what students have learned. ACCESS Testing, which measures English language proficiency, was completed late last week. Mid-April, our students will take the MCA (Minnesota Comprehensive Assessments) in Reading, Mathematics, and Science.
- Graduation will be May 30, 2023, at 11:00 AM for ALEX and 1:00 PM for STEP. It will be held at The Legacy Golf Course Pavillion in Faribault.
