Dear Supt Brotherson,

The state FCCLA leadership convention was held recently in Layton. The Duchesne High School chapter had three students qualify to attend the National competition.

**1<sup>st</sup> place McKenlee Sprecher for her Professional Presentation “A Different Story” on adoption.**

**2<sup>nd</sup> place winners Khloe Brady and Bailey Kelsch in Chapter Service Display for their “Helping Hands” community Sub for Santa project.**

We are requesting permission for them to attend Nationals in San Diego, California June 27- July 3<sup>rd</sup>. Once again, the state is leaving means of transportation up to the chapters and we are working through a recommended travel agency.

We are also hoping to receive a \$300 stipend to help McKenlee Sprecher with her costs to represent our school, district and state.

All three girls are planning to attend as are their mothers. I highly recommend that the knew Duchesne High FACS teacher/FCCLA adviser be sent with them. The national convention would be a wonderful opportunity to receive training on the ins and outs of FCCLA as well as give her the opportunity to bond with the chapter members.

This is a wonderful opportunity for our DHS students to represent our chapter, school, community, district, organization and state on the national level. I hope you will give your support and permission to attend.

Sincerely,
