

**FHS Board Report Jan. 26, 2026**

High School Conferences- Conferences for the 2nd Trimester were held Tuesday night and Thursday night. Tuesday night was a busy night in the building, with many activities. Conferences were lightly attended.

Snow Week- Our Snow week Celebration Started today. We had a pepfest at the end of the day along with a series of dress up days this week. Snow week culminates with a dance on Saturday Night at 7:30 until 10:30.

Capti Screener- Last fall we identified students who were not reading at grade level on their last MCA test. Those students were administered the Star reading test. After receiving the results we have now reached the next step which is to give students the Capti Screener. This will give us a better breakdown of what part of reading the student struggles with and how we can better serve them.

Registration- Registration for next year's classes is set to occur in the second week of Feb. This will allow us to start looking at staffing levels for next year.
