

Denton Independent School District

Elementary Science for Connected Learning Instructional Materials Allotment (IMA) Purchase

August 11, 2020

SUMMARY:

This item requests approval of the quote from Hands2Mind in the amount of \$57,241.53 for the Instructional Materials Allotment adoption for student instructional resources. These are science kits for K-5 students that enroll in ConnectedLearning. While the actual amount of the purchase is dependent on the number of enrolled CL students, we have an open quote not to exceed \$300,000.00

BOARD GOAL:

Growth & Management - demonstrate effective and efficient management of district resources

PREVIOUS BOARD ACTION:

Elementary Science Curriculum approved in 2014 was Stemsscopes.

BACKGROUND INFORMATION:

This request is submitted as a component of the elementary science curriculum. This request is for hands-on science tools for students that are enrolled in ConnectedLearning

SIGNIFICANT ISSUES:

The instructional resources will provide student instructional materials within the content area of Elementary Science. This purchase is being brought for approval in accordance with the District's CH (local) policy.

FISCAL IMPLICATIONS:

The cost will be borne through the Instructional Materials Allotment budget.

BENEFIT OF ACTION:

The approval of this purchase will allow for the District to order the student instructional resources and arrange for delivery during the 2020-2021 school year.

SUPERINTENDENT'S RECOMMENDATION:

It is recommended that the quotes from Hand2Mind for the Instructional Materials Allotment adoption for student instructional resources in the amount of \$57,241.53 and not to exceed \$300,000.00 be approved.
