Way to go students!!! We are very proud of the things you do each and every day to make your teachers and classmates appreciate your kindness. The May winners will be announced at the PBIS Celebration on May 23<sup>rd</sup>.

The Character Trait for the month of April was Perseverance. Perseverance is the willingness and ability to keep going when things are difficult or tough. Having Perseverance also means you give extra effort needed to do something despite how hard it is or how long it might take to reach a goal. Perseverance shows that you use your best effort, you never give up and you have a positive attitude. Students celebrated this month for their perseverance are: Elena Nees, Brady Mathias, Tay Reatherford, Brayden Malone, Brayden Moore, Zoiey Allen, Camille Woods, Diem Schmitz, Delilah Denton, Liam Frailey, Alice Watson and Carter Neville. Congratulations to these students but also to their parents for teaching them this valuable life skill! In the month of May, we will be celebrating INTEGRITY.

In preparation for entering Kindergarten in the fall. Parents have begun logging onto our virtual screening tool to share information about their students to help us create Kindergarten class lists for 2023-2024. During registration, ALL parents will be turning in preliminary paperwork like physicals, shot records, eye exams, etc. to be ready for the new school year.

Washington School completed our final MAP testing for the year.....

Students attended the Barnyard Zoo sponsored by Pana FFA. The kids had a great time and learned a lot about farm safety, hard work and caring for animals on the farm. Just a few cute shots to make your day a happy one!

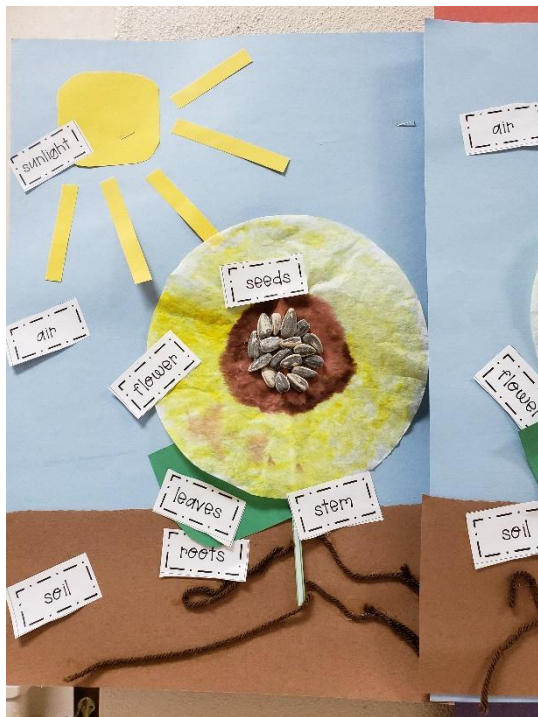

Mrs. Morrell's 2<sup>nd</sup> Grade class has been studying the Rainforest and how it effects and benefits the rest of our planet. They presented a program virtually to their parents and held an open house on Monday May 8<sup>th</sup> so that their parents could come and see the amazing projects they created during this learning experience. It was a wonderful family celebration culminating their learning unit. The other classes are watching the video and following a scavenger hunt created by the class. Thank you to Mrs. Morrell for creating such global awareness in our students.

As part of our science curriculum, we studied Lifecycles. The focus was on butterflies, frogs and chickens! We watched videos of frogs in the wild, hatched chicks and ducks and geese. The butterfly chrysalis have formed and we are waiting for them to evolve so our butterflies can be released into the wild when they come out of their chrysalis!!

We have a few 100 Mile club additions. 25 mile club members include: Hailey Schafer, Flynn Miller, Cruze Berner, Aiden Denton, Alex Tucker, Keaten Kroenlein, Benton Henderson, Naomi Stewardson, Brantley Daniels, Grace Baldyga, Rylan Davis, June Dille, Olivia Lehn, Hunter Daniels, Makenzie Kiser, Ryden Bauer, Brantlee Osborn, Liam LaChance-Scott, Vinnie Marcello, Lily McKinney, Max Nihiser, Kyleigh Coy, Mason Matthews, Axton Green, Taylor Matthews, Dawson Taylor, Landon Stork, Karsyn Sisk, Briyan Mines, Gunner Neal, Paisley Thompson, Everhett Cervi, June Walker, Paislee Mehlberg, Jaxsun Tucker and Cashton Coleman. Congratulations to each of these students who are demonstrating perseverance!

Teacher Appreciation week was May 2-6. We celebrate ALL staff during this week! Events included: delicious donuts for breakfast (or mid-morning snack?), the PTO of Washington (and Lincoln) School(s) provided a delicious meal, we had birthday celebration treats in the lounge all week, Mrs. Wysong cooked us breakfast and finally there were DQ treats in the freezer on Friday (Thank you!!) The most exciting things for the week were our Spring Concert (pictures to follow in the next report) and the announcement that we have been recognized for all the hard work and dedication.....

Happy Staff Appreciation Week ~

And THANK YOU to everyone who acknowledged our dedication and commitment to learning, our students and their families.
