

Lakeview Junior High

Extracurricular Code of Conduct Contract

Congratulations on earning the privilege to represent Lakeview Junior High in extracurricular activities. All student participants and their parents/guardians are required to read, sign, and return this Code of Conduct Contract in order to be eligible to participate.

Eligibility:

- We expect our student participants to put forth their best effort in the academic setting. Any participant who does not maintain good academic standing will not be able to take part in practices, meetings, performances, competitions, or events until they complete their homework and/or improve their grades. Students may not participate if:
 - They are receiving one or more failing grades (F).
 - They have five or more missing assignments.
- Grades will be checked each Friday, and students and parents will receive communication by Sunday night at the latest if the student is ineligible for the following week. Participants may not take part in practices, meetings, or events until academic requirements are met. It is the responsibility of the student to inform us if these requirements are fulfilled before Friday. Students are welcome to attend but may not actively participate.

Behavior & Conduct:

- Participants represent Lakeview Junior High, their families, and themselves. While participating, each student must carry themselves with a positive attitude and show respect to their peers, coaches, directors, and advisors.
- A student must NEVER argue with or disrespect a judge, referee, coach, advisor, or event official. At no time should a student use profanity, taunt others, or act in a way that reflects poorly on their team, club, or school.
- If a student receives disciplinary action for unsportsmanlike behavior or misconduct during an event, they may be subject to consequences from their coach, advisor, or sponsor, including possible removal from the activity.

General Expectations:

- All students involved in extracurricular activities are expected to be positive members of the school community (i.e., classrooms, hallways, buses, cafeteria, etc.).
- Disrupting the classroom or creating an unsafe school environment will not be tolerated. Students who fail to follow the guidelines in the student handbook may be removed from their extracurricular activity.
- Out-of-school suspension will result in immediate removal from the activity. Lunch or after-school detentions will result in:
 - **First Offense** – 1-event suspension
 - **Second Offense** – 2-event suspension
 - **Third Offense** – Removal from the program

Attendance & Participation:

- A student who is absent from school for more than a ½ day is ineligible for any extracurricular activity that day unless the absence has been approved by the coach, advisor, or activity sponsor. Exceptions may be made for pre-arranged medical appointments, funeral services, or religious ceremonies/events. Unexcused absences from practice or meetings may result in missed participation opportunities.
- Students must ride the bus to events with their teams, clubs, or groups. They must return to school on the bus unless a parent/guardian signs them out before leaving the event location. Drivers must sign out all students traveling with them.

Agreement:

I have carefully read the Lakeview Junior High Extracurriculars Code of Conduct. I understand that my grades and behavior in school will affect my involvement in extracurricular activities.

By signing this form, I agree to abide by the Lakeview Junior High Extracurricular Code of Conduct. I understand that this document must be signed and hand-delivered to my coach, advisor, or activity sponsor before I can attend or participate in any practice, meeting, or event.

SDEAA Spectator Guidelines

The SDEAA and its member districts support student growth through participation in extracurricular activities. These activities are designed to help students develop their social, emotional, and physical skills, with teamwork, leadership, and sportsmanship as integral components of their development.

As a spectator, you play a crucial role in creating a positive environment for our students. We ask that you conduct yourself in a respectful and appropriate manner by following these guidelines:

- Support your student(s) and their peers while demonstrating respect for other participants, teams, coaches, directors, and supporters.
- Respect the integrity and judgment of event officials, judges, or referees.
- Follow all rules, regulations, and procedures established by the host school and district.

Your adherence to these guidelines is essential in ensuring a positive experience for all student participants.

Spectators who violate these expectations will be removed from the event and will be prohibited from attending the next competition or performance. A second violation may result in suspension for the remainder of the season.

Thank you for your support and enthusiasm, and above all, enjoy the event!

Parent/Guardian Signature: _____

Please mark here if you have health insurance coverage for your child.

I understand that it is the responsibility of my child to return uniforms in the condition they are received. If any modifications are needed for the uniforms, please reach out to the activity sponsor for additional support.
