Summer Dash

- This month's first week has been named Eco Week where the field trip was at Park Point Sailing, it was a fun experience and a new experience for most! This week, there was gardening with community members and geocaching.
- Performance week was focused on Shaunna Heckman music programming and production where the students made their own beats and music to performing Friday at Wussow's that was on July 19th
- Local cultural connections week which is this week where the zeitgeist film club production allows the students to make a film and premiere is on Friday, the 26th
- Along with these weeks activities the go to activities are also happening like ballroom dancing, men as peace makers, boys and girls club, field day with NYS, board games, DND, Duluth public library, crafts, and Haley's gratitude group.
- Denfeld's Calendar is always booked using the school during the summer to better themselves with summer school as well as sports. Some examples are fitness training Monday through Thursdays at 6 am, as well as soccer, dance, basketball, volleyball football, cross country, lacrosse, and open gym daily.
- The summer transitions academy is starting up very soon on July 29th and the school is very excited to see how this will offer the upcoming highschoolers more opportunities.

Denfeld updates
