Boys Cross Country

The boys have continued to run very well this season. They are ranked #2 in the state by texastrack.com and #5 in the state by the Cross Country Coaches Association of Texas. The boys finished in second place at the Lubbock Invitational and were the second best team in the 1A division at Round Rock. The boys have faced most of the top teams in the state and have only lost to three 1A teams this year, all by encouraging margins.

Girls Cross Country

The OHS girls have continued an impressive season finishing ahead of 2A state ranked Sonora at the Harper meet and tying the 1A state ranked girls from Christoval at Eldorado. The girls had four runners finish in the top ten of the Eldorado meet recently.
