RE: 2018-19 Budget - Draft #2

Enclosed please find Draft #2 of the 2018-2019 Budget that includes the changes since the previous version that was discussed at the last Finance Committee Meeting. The changes are shown in a larger font size and in **BOLD**.

The Education Fund receipts did not change. The Education Fund expenditures increased by \$148,100 due to net updated salary and benefit information for the most recent hires and contract changes of \$118,700; tort (safety) related expenditures of \$2,500; additional curriculum supplies of \$23,500; and Special Education capital outlay of \$3,400. As a result, the change in the Education Fund 6-30-19 fund balance is a decrease of \$148,100.

The Operations and Maintenance Fund receipts did not change. The Operations and Maintenance Fund expenditures increased by \$5,000 due to additional Special Education capital outlay. As a result, the change in the Operations and Maintenance Fund 6-30-19 fund balance is a decrease of \$5,000.

There were no other changes, therefore, the cumulative effect of the above change to the total budgeted Ending Fund Balance at 6-30-19 across all funds is a decrease of \$153,100.

The Board has scheduled the second review of the budget at Monday's Board meeting. The amounts remain tentative proposed until the final resolution is reviewed and passed in September. The legal budget form will be on display from August 17th until September 17th. If you have any questions, please do not hesitate to call me.
