

Review and Discuss Proposal for New Construction of the
Galveston College Abe & Annie Seibel Hall (Student Housing)

A request for proposals (Project No. 1016076.01) for the new construction of the Galveston College Abe & Annie Seibel Hall (student housing) was sent to three vendors and was advertised in the local newspaper. One response was received. J. T. Vaughn Construction, LLC, 1029 Broadway, Galveston, Texas proposed for a total construction cost of \$5,845,000 for this project.

Following discussion, the Facilities Committee will determine a recommendation to the Board of Regents regarding this proposal.
