

Dear Policy Update Subscriber,

Thank you for your continued support of the ISBA Policy Update Service. We're proud to provide this valuable resource to help you stay informed and ensure your policies align with state and federal requirements.

In May of 2025, we notified you of a slight cost increase to the service, and this invoice reflects that change. As a continued subscriber, you'll get the same routine updates, guidance, and resources tailored to the needs of Idaho school districts and charter schools.

We're also pleased to remind you of our enhanced service option, Policy Plus. This upgraded program includes all the benefits of the standard ISBA Policy Update Service, plus access to a fully editable, downloadable policy bank of over 1,000 ISBA model policies—giving you the flexibility to customize policies to suit your district or school's unique needs. Policy Plus gives you the tools to manage your policies more effectively for an extra \$275/year (\$1,125 total).

We would also like to take this opportunity to welcome your feedback on the Policy Update Service. Let us know how we can improve our delivery of this service. You can complete a survey at the following URL to tell us what you feel is going well and where we can improve surveymonkey.com/r/policyupdate.

If you have any questions or need to confirm or update the contacts who have access to your subscription, please don't hesitate to reach out. We appreciate your partnership and look forward to supporting your success in 2026.

Sincerely,
