

Athletic Report  
Board Report  
April 2024

**Track**

We have 111 plus athletes out for track. We have been experiencing cancelations/rescheduling of track meets again due to the winter weather conditions that we've had. Our track team has competed at one track meet this season at Libby and did very well. Coaches are working very hard at getting the athletes ready for the remainder of the season. We are currently planning on having one track meet at our facility, we are hoping to have the meet on May 7, 2024.

**Softball**

We have 15 girls out for softball. We have been experiencing cancelations/rescheduling of softball games again due to the winter weather conditions that we've had. We will only be playing a varsity schedule this year. Our team has played 4 games, we have a very young team and they are working very hard at learning the game. It was great to see the girls play 2 home games. We commend their desire and effort that they are putting out there on the softball field.

**Tennis**

We have 6 girls and 2 boys out for tennis. We have been experiencing cancelations/rescheduling of tennis matches again due to the winter weather conditions that we've had. We played matches in Polson on April 15, 2024 and all of the players did great. We are continuing to work on learning the game and fundamentals. We excited to finish the season once the weather starts to get better.

**Baseball**

We had 20 boys out for baseball. We have been experiencing cancelations/rescheduling of baseball games again due to the winter weather conditions that we've had. We experienced some setbacks early in the season in coaching, but we are moving positively in getting the athletes ready for a season. We have been practicing at the field west of Government square and will again play our home games this season at the Cut Bank Sports Complex.

**Unified Track**

We have 5 athletes on our unified track team and the athletes will be able to compete in 4 regular season track meets and will also compete at the Divisional and State track meets. We are very excited for our unified track athletes. The coaches have been working with these athletes every night at practice. The meets that they will be able to compete in are Columbia Falls, Whitefish, Kalispell and Polson.

**BMS and Napi Softball**

This season our BMS and Napi softball teams will be competing in the community softball league from Conrad. We just got the schedule for the middle school team. BMS and Napi Softball teams will play their home games at Browning High School softball field. Softball games for Middle School will be on Tuesdays and Thursdays and softball games for Napi will be on Mondays and Wednesdays.

**BMS Golf**

BMS Golf will have 5 golf tournaments this season. We play at Cut Bank, Shelby and Havre. We have 20 athletes out for the golf program.

### **BMS Track**

BMS track is off and running the track team competed in their first track meet on Friday April 12, 2024 at Choteau.

We have been dealing with the winter weather again this year and some track meets, one golf tournament has been cancelled due to the weather. When we aren't able to practice outside we have been going inside for practice for all of the sports at the high school and middle school.
