RE: Language Arts Curriculum Adoption – Grades 6 - 8

DATE: March 9, 2010

The following report highlights the process and recommendation from the Middle School Language Arts Department for the adoption of a new scope and sequence of instruction, as well as the recommendation of new language arts materials for grades 6-8. The total cost of the materials for the adoption should be approximately \$107,506, with these materials coming from Prentice Hall/Pearson.
