Dear Board Members and Mrs. Guardipee-Hall;

Greetings from Glendale. Wow what changes have been made since our last board letter. We would like to thank you all for your support during this difficult time as we restructure our teaching to assure we are doing our best to meet our students educational needs.

Big Sky and Glendale staff came together to develop a plan to address our students needs. The students are doing their reading and math using online programs while completing writing, spelling, science/social studies offline. We are grateful to have our German teachers' assistance. They have been a tremendous help. We have been able to keep up the communication with students through daily phone calls.

Once again, the students did a wonderful job on their writing assessments with 7 out of 18 students scoring 4's. We have already set our writing goals for next year.

Please stay safe and well.

Your partners in education,

Ms. Cindy Show/Mrs. Ellen Christoferson
