ACTION

BACKGROUND INFORMATION: The Beeville ISD Student Code of Conduct has been revised, based on changes sent to the district by TASB. Most of the changes were in the format and wording. Other changes included information on discretionary placements to DAEP (HB 968 amended the Education Code so that serious misbehavior is now defined in law) and bullying (House Bill 1942 amends the definition of bullying to include written or verbal expression through electronic means, and clarifies that this is behavior that can occur not only on district property, but at school-sponsored or school-related activities or in a vehicle operated by the district). Changes made to the Student Code of Conduct reflect changes to policy that were recommended by TASB.
