Principal's General Narrative:

2014 has arrived and the faculty at staff at Brackett ISD are excited about all of the exciting learning and events planned for the Spring of 2014. UIL academics, spring classes, sports, and even graduation await our students in the upcoming spring schedule. Teachers and staff are diligently preparing students for upcoming EOC and STAAR tests as well as planned core curriculum and extra-curricular activities. District Basketball is beginning as well as county, district and major stock shows that the students at Brackett High School will compete in. By the first of February our district should know where we stand as far as the new district alignment and that will be reported as soon as it is available. A warm welcome back to our staff and students and lets make this a spring to remember for Brackett ISD.
