

# April

## Greetings Evergreen Families,

Dear Families,

As we wrap up quarter three this week, it is hard to believe we are on the home stretch of another school year coming to an end. Double check that you have signed up for a conference on Parent Square. Conferences are on April 10th and 11th. Please know, quarter four is packed full of learning. Our third and fourth graders will be practicing for their upcoming state test in May, and our younger grades are trying to learn all those final items before moving up. Expectations and rigor are at their highest. Continue to work at home with math facts and nightly reading.

March saw some amazing opportunities for our students who participated in Battle of the Books and the District Science Fair. Our Battle of the Books contestants went to Regionals and made it through to the second round that day. While other students in March represented us at the District Science Fair: Hannah Murray-Teasdale and Hank Murray-Teasdale took second place in behavioral and social science, and Landen Stancliff took first place in environmental science. We are so proud of all the students who participated and represented the Eagles so well!

Continue to keep an eye on Parent Square, as PTO and Title have some wonderful opportunities coming up like our Multicultural Literacy Night on April 17th.
