To: The Neah-Kah-Nie School Board

Nehalem Elementary School would like to honor Jason and Denise Weiss as the Neah-Kah-Nie School District Volunteers of the Month. They are a dynamic duo whose smiling faces are often seen running around here at school!

Jason regularly helps with our Backpack program. He picks up produce and dry goods from Manzanita Fresh Foods each week and delivers them to school. He helps pack the bags for individual students and gets them into backpacks. Jason is also a big part of the Art Moms program. He regularly volunteers to help teach the monthly art lessons to classes.

Denise is a nurse, and has presented at our Social-Emotional Learning Family night teaching about oral health and good sleep habits. She has also presented to classes with Parent Council to teach students how to wash their hands correctly using the Glitter Bugs machine.

Both Denise and Jason have volunteered to chaperone field trips and work in classrooms. Jason even brings the office staff much needed coffee at times!

As you can see, Denise and Jason are a big part of Nehalem Elementary. They are always positive and big supporters of the school, the staff and the students. They help keep many of our volunteer programs up and running and fill in often wherever needed. Thank you, Jason and Denise, for giving so much of yourself to Nehalem Elementary. We sure appreciate both of you!
