Mr. Clifton Hunt, Principal
Lowell-Longfellow Elementary School
15636 Lexington Ave
Harvey, IL 60426

Dear Mr. Hunt

Please accept my resignation as the Reading Coach at Lowell-Longfellow Elementary School, effective October 8, 2016.

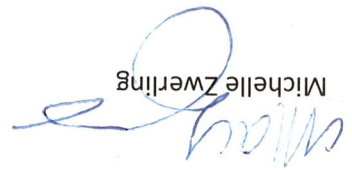

It is with a heavy heart that I leave the position which I assumed in August 2016. The mold and asbestos in the building have proven hazardous to my health.

I visited my doctor because of respiratory distress. I discussed the condition with my doctor in length and working at a school with an on-going mold and asbestos problem will cause my respiratory tract to deteriorate. He explained there is no known medicine that could relieve my condition and that the aggravation of my respiratory tract would continue to intensify as long as I am in the building.

Please have the portion of my salary accrued at my final day of employment reserved for summer pay checks paid with my final October 2016, direct deposit.

I appreciate the opportunity to work for your organization and I wish you the best of luck.

Regards,

Michelle Zwierling
