Re: 10 Day Count

The attached report provides the 10 Day Count information regarding student enrollment at Joliet Township High School. This report is compiled annually and distributed to Council 204 as well as the Board of Education.

The data shows that there has been a net loss of 371 students district wide as compared to the data compiled during the 2024-2025 school year. The report also contains the history of this information dating back to the 1987-1988 school year by campus.

Please let me know if you have further questions.

Thank you.
