

MAINTENANCE REPORT

JULY 2025

Submitted by: Reid Reagan

Maintenance staff has been busy filling summer work order requests throughout the buildings. Custodians have been busy stripping, waxing the floors, along with deep cleaning. Groundskeepers have been busy watering, trimming and mowing lawns. Doing preventive maintenance on the fire alarm & sprinkler/security alarm systems, both Summit Fire and Interstate Alarms did annual inspections of the buildings.

BHS:

Repair broken rollup garage door in VOAG classroom, service restored. Patch roof over B areas.

BMS:

Plant native plants, currant and sarvis berries. Remove old caulking on the seams of metal parapet walls on roof, rivet and recaulk seams. Repair broken door to the sports equipment shed.

BULLSHOE:

Drain heating system supply lines in buildings, replace faulty valve to gym AHU, resupply lines.

FDC:

Install new cameras in warehouse, exterior of building and parking lot. Install new furniture and hang bulletin boards, fixtures and shelving. Pull weeds.

NAPI:

Replace broken window in room 7.

WBH:

Plant fruit bearing trees in garden area. Pull weeds.
