 Policy Name: Student Risk Assessment Regulation:
 Regulation:
 Student Risk Assessments The District may establish a risk assessment team for students whose behavior may pose a risk to the safety of school staff or students. Each team shall: Provide guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a risk to the community, school, or self; Include persons with expertise in counseling, instruction, school administration, and law enforcement. Identify members of the school community who should be informed of behavior; Implement school board policies for the assessment of and intervention with students whose behavior poses a risk to the safety of school staff or students including response plans; and Utilize available forms and procedures. All District employees, volunteers, and contractors are required to report any expressed risks or behavior that may represent a risk to the community, school, or self. In cases determined to be appropriate, teams shall follow established procedures for referrals to community services, boards, or health care providers for evaluation or treatment when appropriate.
