Some things of note; classroom book sets, crochet kits, money kits, ocean memory kits, aquatic Illinois kits, code breakers spelling and reading kits, various cultural artifacts, shapes and colors, and many more!
- We made lots of STEM crafts, including our own slime!

- All reporting is up-to-date.
- I am assisting our admin team in synthesizing data from our newly released state report card. All schools are “Commendable.” 🏆

- I attended Bluffview PTO on Nov 5th.
- I attended the Bluffview Veterans Day Assembly on November 7th. 🇺🇸

Note, at one of my recent meetings, I was pleased to meet our Illinois Secretary of State, **Alexi Giannoulis**.

Fun Facts: Alexi Giannoulis is also the Illinois State Librarian. 📖 His office administers our annual library grant, and facilitates the consortium of online reference research databases used by our students.

Of course, I took time to share all of the wonderful things about our school libraries. I thanked him for supporting the online databases, as that consortium is saving our district over \$3K per year. I also mentioned some of our other District highlights such as the Tiger Success Center, our evolving Electrical CTE program, and at the time, our winning Dupu Tiger Football team! 🏈

Other

- I continue to work with Yellow Bus Group on new bus routing software implementation.
- I assisted Mr. Aldridge with updates to the Bluffview Gym audio system in preparation for the Veterans Day assembly.
- I assisted Mr. Aldridge with other various technology tasks and user support.
