Team input / questions / concerns:

- Spring sports season: Proud of how many faculty and staff showed up to help at the meet; both parents and students commented on how much it meant. There will be one more meet hosted by LSMS.
- Positive emails are continuing and are a phenomenal means of spreading the culture of care.
- PLC training continues on May 12th and perhaps, May 19th. After that teachers will be notified of teaching assignments for next year.
- STAFFING: Open positions have been filled except for one Social studies teacher. There may be a couple of more openings.
- Restroom remodel is slated for completion by August 15th. Would like to have parent night so they can see them and time to train the kids about the bathrooms.
- PTO is doing a great job. Hosted concessions at the track meet and will host a dance May 11th.8-10
- School will be extended one day to make up for snow days. Will not impact end of school year plans.
- Outdoor school has 11 Applegate and 45 Lincoln Savage students going, May 8-10
- Discussion of forecasted budget and its potential impact on bargaining due to projected shortfall in year 2 of biennial.
