RE: Proposed New Policy 9273, "Civility"

Bylaws of the Board

Civility

Statement and Purpose

The Woodbridge Board of Education has, as the primary objective of this policy, the promotion of mutual respect, civility, and orderly conduct in pursuing the interest and work of the Woodbridge School District. In the interest of presenting the Woodbridge Board of Education as a role model of respectful discourse, the Board encourages positive communication and discourages volatile, hostile, aggressive, and non-inclusive communications or actions. Modeling a safe, civil environment is essential to high student and staff achievement, to the free exchange of ideas central to a quality educational process, and to the development of our youth as thoughtful participants in our democracy.

It is the intent of the Board to promote mutual respect, civility, orderly conduct, and constructive problem-solving in our interactions as a Board and with the community. It is not the intent of the Board to deprive any person of his or her right to freedom of expression. The intent of this policy is to maintain, to the greatest extent reasonably possible, a safe, harassment-free setting for the Board, the administration and staff, the students, and the community to engage with each other in the best interests of the District. The Board encourages positive communication and discourages disruptive, volatile, hostile, or aggressive communications or actions.

The Woodbridge Board of Education intends to foster a culture and practice of civility in all school and school-related settings, communications, and operations. Informed debate, healthy dialogue, disagreements, and informed public opinion are to be expected and are accepted forms of interaction in a democratic society. Common norms and protocols for civil discourse and action and compliance with public meeting laws are to be expected.

Nothing in this policy shall be deemed to be in conflict with the ability of the school community to have opportunities and avenues available to express concerns and complaints about any facet of school operations or to limit an individual's ability to exercise his or her right to freedom of expression. The expectation is that this is done in a way that does not violate anyone else's rights.

The Woodbridge Board of Education seeks to promote a work environment that is safe, productive, and encouraging of the free flow of ideas without fear or intimidation, and to provide all students with appropriate role models for respectful problem solving. The Board seeks public cooperation with this endeavor.
