TO: The Board of Trustees

FROM: District President H. Neil Matkin

DATE: July 28, 2015

SUBJECT: Recommendation for Approval of Reference 3854 – DocuCare Charting System

SCOPE: Sole Source renewal of the annual contract for the DocuCare charting system for all Nursing classes Term of contract: 07/29/15 through 07/28/16.

RECOMMENDATION: Lippincott Williams & Wilkins \$27,644.40  
Baltimore, MD

JUSTIFICATION: Sole Source.

This charting system aligns with Laerdal Medical's suite of simulation solutions where the students can input patient information into the DocuCare electronic health record. System includes over 200 pre-populated, simulated patient records and cases, as well as links within cases to clinical decision making resources. It also provides students with evidence-based, up-to-date content that is used by thousands of nurses on a daily basis.

REQUESTING DEPARTMENT: Nursing
