Curriculum, Instruction, Program

The sixth grade class recently took part in Greek Fest, a celebration of Greek mythology, as the grand finale of their Ancient Greece studies. Students and staff dressed up as ancient Greeks and gods and joined in The Olympic Games. They celebrated the original Greek Olympics with fun activities like the javelin throw, discus toss, and other exciting games. Students collaborated in the spirit of sportsmanship and represented their Greek city-states. To wrap up the day, everyone enjoyed a traditional Greek meal featuring gyros, baklava, and grape juice.

School Celebrations
