

BOARD OF SCHOOL TRUSTEES

KELLER INDEPENDENT SCHOOL DISTRICT

6A. Report

Date: June 12, 2006

SUBJECT: THIRD QUARTERLY CURRICULUM MANAGEMENT AUDIT REPORT

BOARD GOAL: Academic Excellence

FISCAL NOTE: None

Background Information:

- Recommendations and Timelines for Curriculum Management Audit Report-presented to Board-September 12, 2005(202 Recommendations)
- First Quarterly Report for 2005-2006-Presented to Board on December 12, 2005
- Second Quarterly Report for 2005-2006-Presented to Board on March 27, 2006

Administrative Considerations:

- The Curriculum Management Audit Report is divided into four priorities. There are approximately 115 Priority 1 recommendations to be completed by August, 2006.
- Members of the Superintendent's Cabinet and other staff members have met with the consultant to update progress and the percentage of completion since the Second Quarterly Report was presented to the Board. (Progress reports continue to be kept on file.)
- The Third Quarterly Report has been attached for review. In addition to this quarterly report, another version of the report will be shared to illustrate the progress being made from 100% to 10 % at the time of printing the report.
- Another document, Priority 1 Changes, will also be shared at the Board Meeting. All of these Priority 1 items have been initiated, but changes will be made in the completion dates.
