Reporting a Problem

- ▶ Contact ByteSpeed via phone, email, live chat, website form, or online ticket system (Vector Support Portal).
- ▶ Please use the ByteSpeed Serial number on the back of the machine to track replacements, parts, or warranty issues (EX: 20XX-XX-XXXX).
- ▶ Any problems occurring in the first 30 days of use can be reported as DOA. ByteSpeed will immediately fix or replace all DOA machines.
- ▶ Technicians can use ByteSpeed's online customer support system to submit repair issues, track repair issues, manage their inventory, look up PC configurations, and more. To request a support portal login, contact: helpdesk@bytespeed.com

5-year Gaming Desktop Warranty

Gravity Gaming by ByteSpeed esports desktops are backed by a 5-year warranty and free lifetime US-based tech support.

If your PC develops an issue that cannot be resolved over the phone, we will pay shipping costs both ways for warranty issues.

"Gravity Gaming by ByteSpeed has been awesome! They care about the customer and add the personal feel to customer service. Our esports program has taken a huge step forward working with their help. It is a blessing that we locked in a partnership with such GREAT people!"

- Kris Weissmann, University of South Carolina Sumter

What IS Covered Under Warranty?

- ▶ Defects in materials and workmanship
- ▶ Standard manufacturer's warranty applies to non-ByteSpeed branded hardware (EX: esports desks and chairs, partner devices, Spectrum laptop carts, etc.)
- ▶ Normal hardware failure

What is NOT Covered Under Warranty?

- ▶ Vandalism and intentional damage
- ▶ Theft or loss
- ▶ Improper use that is not in accordance with proper care (spills, drops, etc.).
- ▶ Acts of nature
- ▶ Accidental damage

Shipping Warranty Parts

- ▶ ByteSpeed guarantees all warranty issues are handled in a timely manner. Most warranty parts will ship the same day. Accelerated shipping is also an available option when needed for crucial situations.
- ▶ For ByteSpeed branded hardware, all warranty parts will ship with pre-paid return labels for the bad part to return to ByteSpeed.
- ▶ For NON-ByteSpeed hardware, warranty shipping coverage depends on the manufacturer.
- ▶ ByteSpeed offers a custom parts closet option with large quantity orders. The parts closet is an extension of ByteSpeed's inventory, and is only to be used for maintaining and repairing ByteSpeed computers. As parts are used from the parts closet, customers need to follow the standard RMA process to replenish new parts for their parts closet. This helps eliminate down time and makes warranty requests easier for both ByteSpeed and our customers.

ESPORTS TESTIMONIALS

“When I first contacted Gravity Gaming by ByteSpeed about starting an esports lab, their staff was prompt and helped us every step of the way! Since then, we have ordered hundreds of GG PCs for our esports team, computer class labs, teachers, and administration staff. All of our GG PCs came fully customized, from top of the line specs down to perfect cable management within the cases. Their staff responds incredibly fast to every communication, and has made the process for our PC needs flawless. I can’t wait to work with Gravity Gaming to build our second esports lab!” — **Kevin Koncsol, Warren City School District, OH**

“Davenport’s esports programs are incredibly grateful to Gravity Gaming by ByteSpeed for their support and guidance as we take our program to the next level. We appreciate that it’s not just about making the sale, but instead, ensuring we have the right equipment for where our esports program is now and where we want to go. The GG team has excellent knowledge of both the tools we need to be successful and how a school system works!” — **Ali Vandermyde, Davenport CSD, IA**

“I have worked with ByteSpeed for years and cannot say enough good things about them. I trust their team to meet the needs that I have from a robust computer science classroom, to a competitive esports arena, and even our state-of-the-art virtual production studio. They are able to hand every challenge I throw at them, seek solutions, and supplement my knowledge. They don’t try to sell you something you don’t need, and they go the extra mile to make sure any problems are fixed. I suggest ByteSpeed to anyone who wants a partner for technology that will last as long as possible under the consistent use of students who run their computers to their max.” — **Karen Ruggles, DeSales University, PA**

“I just wanted to express Davenport University’s and Davenport Esports’ appreciation and gratitude for the new computers we received a couple of weeks ago. We are extremely happy with the quality of the products and very appreciative for the timely delivery of them. I have been super impressed and I am extremely satisfied with ByteSpeed’s quality, attention to detail, and attentive customer service. I will absolutely be recommending Gravity Gaming by ByteSpeed to my colleagues at other institutions. I am looking forward to making our PC purchases with ByteSpeed again in the future.” — **Noah Antor, Davenport University, W.A. Lettinga Campus, MI**
