The 2 weeks in December was very busy with meetings, Oaks testing, a Winter Program, Basketball games and the work of the “Old Building”.

Our boy’s basketball team did very well this year. We had a young team but a lot of heart. We were undefeated at home this year which made for a fun season.

The Winter Program went very well this year. The students in grades K – 5 sang, some of our advance and intermediate violinist played for our guests, and our special guest, Santa, came to visit always a treat for the students and families.

The “Old Building” is nearing completion. Ausland has done an amazing job. We are now discussing the final touches that are needed such as who will be moving in and what area. What classrooms need tech work, doors, white boards and other items. Ausland, Stephanie and Sandi Garoutte had a meeting on December 16th to discuss what needs to happen before we can move into the building. Everyone is very excited about this new addition to our school campus.
