(Action Item)

NSBSD Policy Manual:

Board Bylaw 9311, Board Policies:...Prior to adoption, policies shall normally be given two readings by the Board. At its second reading, the policy may be adopted by a majority vote of all members of the Board.

Issue Summary:

This is the second reading for these policies as required by BB 9311. The first reading was approved at the August 11, 2023 regular meeting. The revisions, now incorporated into the policy, were recommended by the Association of Alaska School Boards with amendments by administration. For Board Bylaw 9012, Communications to and from the Board, the Policy Review Committee recommended the revisions, indicated in red, to clarify appropriate communication between the community and the Board and appropriate channel of authority for concerns or complaints regarding personnel or school operations. This policy’s revisions are still recommended for its second and final reading for adoption.
