

Superintendent's Report

August 10, 2026

Capital Projects Summer '26 and Beyond

- Successful Summer of Capital Work
- All Projects Substantially Complete
- All Projects Completed Ahead of Schedule
- Already Planning Ahead for Next Year
- Thank You to Our Operations Team

Funding Building Improvements at Geneva 304

Using Existing Reserves

Investing from a strong cash reserve to support critical projects without taking on more debt.

Proactive, Forward-Thinking Planning

Careful long-term planning allows the district to meet capital needs with current resources.

Sound Financial Stewardship

Strategically using reserves to responsibly fund capital improvements.
