Subject: Consideration and possible action on
Teacher position and Maintenance position Related Page(s) 1

Regular Agenda

EXECUTIVE SUMMARY:

Due to HB3 new requirements for servicing dyslexia students we are recommending that we add a Dyslexia Teacher position at the secondary level to service our students at both the High School and Middle School.

Due to our aging facilities we are facing more repairs needed in a timely matter. Currently our staff is having to hire contracted services to help with repairs throughout the district; therefore, we are recommending that we add a maintenance position to our district. This position will help reduce the recurrent cost of contracted services.
