Re: GISD School Board Continuing Education Announcement

Date: 12-12-2010

As per State Board of Education requirements, the board president is required to make a public announcement each year of the names of those board members who have completed their required continuing education, who have exceeded the required number of continuing education hours, and who are deficient. This announcement must be made at the last regular board meeting of the year. I have provided to you the Board training hours as of 12-11-10. They are as follows:

- All Board Members have either completed the required continuing education hours or are currently in the process of completing their continuing education hours for 2010.
- Edwin Graham IV has exceeded the required number of training hours for 2010.
