Background Information

In accordance with Minnesota Statute 342.01, Sec. 13, (c) A local unit of government may adopt reasonable restrictions on the time, place, and manner of the operation of a cannabis business provided that such restrictions do not prohibit the establishment or operation of a cannabis business.

Red Wing Public School Administration would like a letter of support from the school board to respectfully request the City of Red Wing set boundaries that prohibit the operation of a cannabis business within 1,000 feet of a school property.

Recommendation

I move to approve a letter to the City of Red Wing requesting considerations on setting boundaries that prohibit the operation of a cannabis business within 1,000 feet of school district properties.
