

## NORTH SLOPE BOROUGH SCHOOL DISTRICT

### MEMORANDUM

**TO:** Roxanne Brower, President  
Members of the School Board

**THROUGH:** Stewart McDonald, Superintendent

**THROUGH:** Christopher Aguirre, Assistant Superintendent

**FROM:** Mark Roseberry, Director of CTE Services

**DATE:** February 28, 2019

**SUBJECT:** CTE Course Objectives

**Memo No. SB19-149**  
**(Action Item)**

---

#### **NSBSD Strategic Plan Goal:**

1.0 ACADEMIC SUCCESS/WHOLE CHILD: All students will reach their intellectual potential and achieve academic success through integrating Inupiaq knowledge systems into the core content areas and focusing on the development of the Whole Child.

#### **Recommendation:**

As per Board Policy 61-41: Curriculum Development and Evaluation states “the curriculum shall be consistent with the philosophy, goals and objectives of the district.” we propose the CTE Objectives for Carpentry, Boiler Maintenance, Intro to Construction Trades, Welding, Small Engines, Textiles, Education series, Intro to Business, Accounting, Small Business Enterprises, Personal Finance, K3-8<sup>th</sup> Music production and performance, Arctic Home Economics, intro to Foods, Culinary series,

#### **Issue Summary:**

The proposed CTE courses are either already approved courses in which the objectives and courses materials are being updated or the courses are new courses that we are adding to our CTE program based on stakeholder input and North Slope/AK job forecasts. The proposed courses Include:

- Inupiaq learning Framework understandings
- Industry/Career Standards
- Alaska State Standards
- Alaska Cultural Standards

#### **Background:**

This is the CTE review year. The following CTE courses were updated: Carpentry, Intro to Business, Intro to Construction Trades 1 & 2 (originally intro was one semester), Intro to Business, Accounting, Small Business Enterprises, Personal Finance. The newly developed courses include: Boiler Maintenance, Culinary Arts Series, Arctic Home Economics, K3-8<sup>th</sup> Music performance and production, Welding, Textiles. These courses align with NSBSD strategic plan goals that include following industry standards, certification requirements and dual credit opportunities. Courses are reviewed by the Carl Perkins Committee and sub-committees which provide guidance in course development.

#### **Motion:**

I move that the NSBSD Board of Education adopt the updated and newly developed CTE courses with an understanding that an annual review and update will occur.
