Discipline Report: From 8-25-2008 through 8-29-2008

Total number of discipline referrals	0

We have had a great 1st week. The new teachers and new students to our campus all appear to have adjusted well and are making very positive contributions.

I would like to thank all who have supported us for their contributions. We recognize that without leadership from the school board our direction of continued and greater success would be much more difficult.
