

**CONSIDERATION OF APPROVAL OF A RESOLUTION TO DELEGATE
AUTHORITY TO THE SUPERINTENDENT RELATED TO THE SUBMISSION OF
WAIVERS TO TEA AS NECESSARY**

Action Item:

The recent school closure has caused new expectations from TEA regarding the submission of waivers. These waivers include, but may not be limited to, missed day waivers, appraisal waivers, and other waivers related to normal reporting requirements from TEA. Approval of this resolution will allow the superintendent to submit those waivers, as necessary, without forcing the Board President to call special board meetings in order for those particular waivers to be submitted before deadlines. A proposed resolution has been included in your agenda.

Recommendation:

I recommend the Board approve this resolution as presented.
