Re: Tech Plan Purchase

Please submit this purchase information to the BOE for the October 14, 2014 meeting.

The Technology Staff are continuing to implement the components of Technology Capital Outlay Plan previously approved by the Board of Education. One component is to replace the more than seven year old portable computers used by our teachers. These older district computers are aging to the point that they are no longer effective.

In order to provide our teachers functioning portable computer equipment the following HP tablets will be purchased using the IL State Contract pricing. This purchase will be made through our HP partner, Heartland Business Systems.

QTY	Model	Cost
51	HP 810 Convertible Tablet	\$ 56474
51	Docking Station /Accessories	\$ 8874
51	Extended Warranty	\$ 2652
		\$ 68000
