

# Report Card Template Feedback Summary

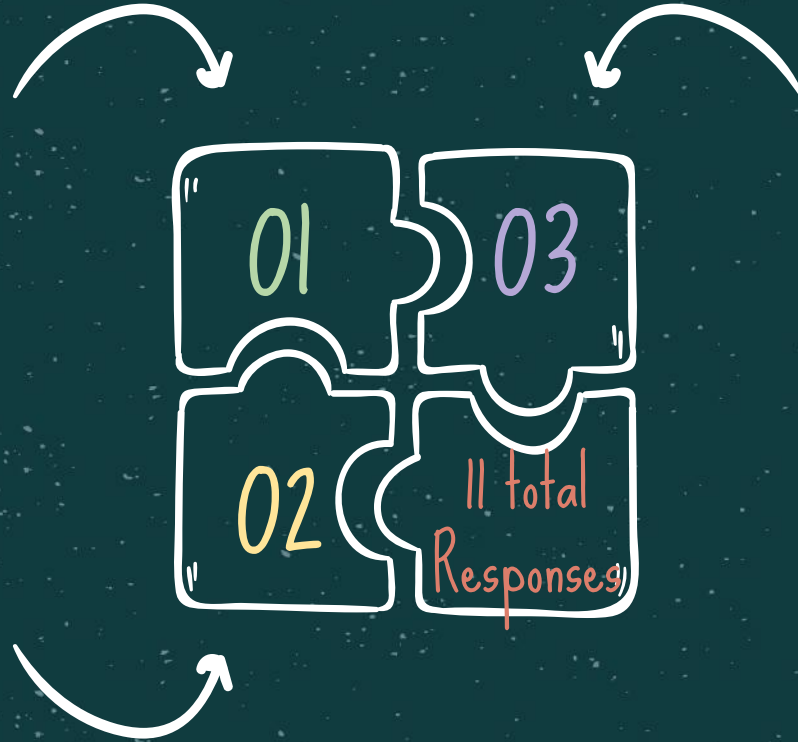

# Strengths and Areas for Potential Improvement

81% of respondents agreed

The standard/skill that a student needs to demonstrate for each subject area is clearly described

85% of respondents agreed

They understood what the **letter** grade at each content area (English Language Arts, Math, etc.) represents at IJHS

Supporting Parent Engagement

Each grade level/ content area will determine what and how they will communicate expectations and progress towards instructional goals for each trimester
