

3-5 Distance Learning Plan

Platform: Google Classroom

Core Instruction:

ELA: iReady, Khan Academy, Flocabulary, LearnZillion

Math: iReady, Khan Academy, Flocabulary, LearnZillion

Science: IXL, Study Island, Flocabulary, Generation Genius

Google Classrooms:

3rd Grade- ELA, Math, Activity

4th Grade - ELA, Math, Activity

5th Grade - ELA, Math, Science, Activity

Instructional Parameters:

- Teachers will determine standards which need to be retaught, taught to a deeper level, or standards that have not been taught yet this school year. The standards will be mapped out and sent to administration (Scope and Sequence). Test prep should **not** be included in any capacity as instructional learning.
- 2 Activities a day per subject (no longer than 20-30 minutes each)
- 1 iReady assigned lesson per subject (students can always be encouraged to continue working on their learning paths assigned in iReady - determine if you need to adjust them based on your data so that students are working on what they need individually)
- Activities need to be outlined by date
- Activities will not be graded - it's about learning!
- Instructional activities should include an instructional video (when appropriate) from iReady, Khan Academy, LearnZillion, Generation Genius, or Flocabulary per standard with coordinating activity.

Office Hours:

8:00 - 3:00 Monday - Friday; Good Friday and Monday (holidays)

F - Department/Grade Level PLCs with administration

Activity Teachers:

2 activities per week per grade level

SPED Teachers:

Instructional Support Time - 2 hours a week to provide accommodations

Gifted Teachers:

2 activities per week
