**Date:** 6/5/2025  
**Re:** High School Principal Report June 2025

---

Greetings from HHS!

We have wrapped up another successful school year at Homedale High School. May 22nd was a wonderful celebration of our seniors' accomplishments and determination. It was a privilege to honor each graduate and celebrate alongside their families, friends, and the dedicated staff who helped them reach this milestone. A heartfelt thank you to Carla Frank for her inspiring words, and to Mrs. Romriell and Mrs. Dorsey for their tireless efforts in organizing a memorable event. Transcripts have been printed and mailed for those Seniors that have requested them to be sent to specific schools or training facilities.

Academically, we are proud to report significant growth in student achievement this spring. On the ISAT assessments, our students demonstrated a 27% increase in ELA proficiency and a 10% increase in Math proficiency. These gains reflect the dedication and hard work of our students and staff, as well as the ongoing support of our families. While we know there is still progress to be made, these results affirm that we are moving in the right direction and building momentum toward our long-term academic goals.

Lastly, none of our successes would be possible without the incredible support of our community. Homedale is truly a place where students are surrounded by people who believe in them and invest in their success. Thank you to our parents, local organizations, and community members for your unwavering commitment to our school. Your involvement and support help make HHS a school of choice, and we are grateful for the strong partnerships that continue to move us forward.

As always we are truly blessed to be here and to be a part of HHS!

Matt Holtry

### **Enrollment- 5-19-25**

**Freshman- 101          93.3%**

**Sophomores- 97          91.9%**

**Juniors- 102          91.67%**
