

**Consider Approval of amendment to 2024-2025 calendar
October 8, 2024**

1. Board Goal :DOMAIN 2: Effective, Well Supported Staff: UCISD will build trust with stakeholders by focusing on communicating with families, demonstrating professionalism, and creating supportive systems for staff to grow professionally.

2. Background:

House Bill (HB) 2610, passed by the 84th Texas Legislature, requires districts to provide a minimum of 75,600 minutes of instruction. The original 2024-2025 School Calendar was adopted in February and met those requirements.

As we work through the 2024-2025 school year we continue to make changes and one aspect is the updated school calendar proposal. This proposed calendar will allow for continued work on campuses implementing improvements to strengthen the safety and security of our campuses, time for teachers to work through grant submissions and requirements, allow for needed Social Emotional Professional learning with the Department of Education for our staff, preparing targeted daily instruction for our kids, allow time for staff to dive vertically in the curriculum and talk with non campus personnel for support and ideas.

3. Process:

This proposed calendar changes will include:

Shift from Early Release to full day Professional Learning on October 11th, December 20th , March 14th

Move April 21st to a full day Teacher Workday

With these changes in dates, all grade levels will still reach the 75,600 minutes of instruction requirement.

4. Fiscal Impact:

None

5. Recommendation:

Approval of the 2024-2025 UCISD School Calendar as amended.
