Subject: Renewal of CSP #3201-24 Fire, Security, Alarm and Related Products and Services (JOC)

Background Information:

- The Board of Trustees awarded CSP # 3201-24 Fire, Security, Alarm and Related Products and Services (JOC) on January 9, 2024. If approved, this would be the first of three possible one-year renewal periods.
- Intent is to renew CSP #3201-24 Fire, Security, Alarm and Related Products and Services (JOC), to provide for necessary maintenance, repair, alteration, remediation, relocation, or minor construction for fire, security, alarm, and related products and services.
- Lewisville ISD has approximately 180 alarm systems, including all fire alarms, burglar alarms, elevator call systems, and other related systems, which require routine maintenance, servicing, and parts. In addition, the District must move, replace, and add system components as needed.
- If approved, the recommended vendors may be used on an as-needed basis to provide necessary fire, security, alarm, and related products and services needed to maintain a safe environment for the students and staff of Lewisville ISD.

Administrative Consideration:

- Funds for these products and services come from the Facility Services operating budget or other previously approved budgets.
- Previous annual expenditures in this commodity:
 - 2024-2025: \$137,236
- Estimated annual expenditures in this commodity: \$151,000 but will not exceed the approved budgets.
- This procurement complies with Lewisville ISD Board Policy, Section 44.031 of the Texas Education Code, Section 2269 of the Texas Government Code, and other applicable procurement laws.

Recommendations:

- Lewisville ISD Board of Trustees to approve the renewal of CSP #3201-24 Fire, Security, Alarm and Related Products and Services (JOC), the estimated annual expenditures, and the recommended vendors for one year.

Timeline/Report:

- Term: January 2026 – January 2027
