

2021 Summer School Update

Overview:

Summer school sessions are set and staff have begun the planning process. They will receive their specific student rosters next week along with parents receiving their student's Summer School Information. A curriculum designed by DuPage Co. teachers in conjunction with an ELA and a Math consultant is very comprehensive and provides links, lesson guides, resources to use all based on priority standards and essential skills at each grade level. Again, the focus on summer school is reinforcement and a solid foundation on skills learned at their completed grade level in preparation for next school year.

Enrollment Numbers:

Grade	Session 1*	Session 2*	Total
Kindergarten	29	18	40
1st grade	13	20	33
2nd grade	21	13	29
3rd grade	25	17	41
4th grade	25	26	40
5th grade	28	16	37
6th grade	19	17	30
7th grade	19	8	23
			273
STAFF			
Teachers	19		
Paras	3		

Identified Intervention Students registered: 31%

- Interventionists reached out to families directly to encourage Summer School attendance.
